The Honorable Steve Womack
Chairman
Subcommittee on Transportation & HUD
Committee on Appropriations

The Honorable James Clyburn
Ranking Member
Subcommittee on Transportation & HUD
Committee on Appropriations

Dear Chairman Womack and Ranking Member Clyburn:

I am requesting funding for the Phoenix Fire Member Services Building Renovation in the Fiscal Year 2026. The entity to receive funding for this project is the City of Phoenix, located at 200 West Washington Street, Phoenix, AZ 85003. The funding would be used to renovate a facility constructed for the City of Phoenix Fire Department in the 1960's. The project is intended to renovate and modernize a facility that supports first responders, retirees, and their families through healthcare and administrative services. The project is an appropriate use of taxpayer funds because the updated facility may reduce absenteeism, turnover, and healthcare costs. The investment in public safety infrastructure fosters community development and enhances a resource that will serve first responders for generations. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'AJH', followed by a long horizontal flourish.
