Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for a **Elementary School Roof Restoration** in Fiscal Year 2027. The entity to receive funding for this project is **the Nadaburg Unified School District** located at **32919 Center Street, Wittman, AZ 85361. This $1,342,500 funding request will be used to restore a 22-year-old roof that is experiencing widespread deterioration and active leaks. The project is an appropriate use of taxpayer funds because the restoration approach will revitalize the existing roof system while avoiding the higher cost of full replacement. This project will product classrooms, safety systems, and building infrastructure while extending the life of the facility used daily by students and staff.** The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Abraham J. Hamadeh
Member of Congress
